WARNING: If a moving company loses or damages your goods, there are 2 different standards for the company's liability based on the types of rates you pay. **BY FEDERAL LAW, THIS FORM MUST CONTAIN A FILLED-IN ESTIMATE OF THE COST OF A MOVE FOR WHICH THE MOVING COMPANY IS LIABLE FOR THE FULL (REPLACEMENT) VALUE OF YOUR GOODS** in the event of loss of, or damage to, the goods. This form may also contain an estimate of the cost of a move in which the moving company is liable for **FAR LESS** than the replacement value of your goods, typically at a lower cost to you. You will select the liability level later, on the bill of lading (contract) for your move. Before selecting a liability level, please read **"Your Rights and Responsibilities When You Move"** booklet, **"Ready to Move?"** brochure provided by the moving company, and seek further information at the government website Protect Your Move.

By signing this Binding Estimate for Services, customer is acknowledging and agreeing to the following:

Coastal Moving Services LLC is registered with the State of Florida as a Moving Broker Registration No.MB157. As properly licensed interstate Broker, Coastal Moving Services, LLC is not a motor carrier and will not transport, pack, or handle an individual shipper's household goods, but will coordinate, recommend, and arrange for the transportation of household goods by an FMCSA authorized motor carrier, whose charges will be determined by its own published tariff. All estimated charges and final actual charges will be based upon the motor carrier's tariff which is available for inspection from the carrier upon reasonable request. In acting as an interstate Broker, Coastal Moving Services, LLC is not responsible for any acts or omissions of the motor carrier or its employees or agents. Shipper understands that they will enter into a contract (Bill of lading) with the carrier directly; Coastal Moving Services, LLC is not a party to the contract for moving services (Bill of Lading). Shipper agrees to exclusively pursue the motor carrier directly for all claims for overcharges, property damage, including without limitation, any claims of damage to property, lost or stolen goods, delayed pickup or delivery, actions of estimators, drivers, packers, or movers, or other types of claims. It is the shipper's sole decision to hire the recommended carrier or not. If prior to signing the bill of lading contract, you as the shipper, are not satisfied with the recommended carrier please notify the Broker so an alternate carrier can be recommended and dispatched. Note, that re-dispatching takes several days; therefore, we strongly urge you to select a pick-up date which leaves you at least a two-week cushion before you must vacate your home. This way if you need to have an alternate carrier dispatched you will have several weeks to reschedule a new pick-up date with an alternate carrier. Last minute pick-up dates are highly discouraged for this reason; please plan for all scheduling contingencies and do not schedule your pick-up date on a date right before you need to vacate your home.

PACKING YOUR GOODS: Packing services, material, and unpacking services, are available at an additional charge and are only included in this estimate if the services are specifically listed on the services section of the estimate. Additional packing services needed that are not listed on this estimate will be subject to additional cost. If certain appliances are digital crating might be necessary.

ABBREVIATIONS and DEFINITIONS: "Motor Carrier" or "Mover" or "Carrier" is the actual moving company performing packing, loading, storage, transportation, and offloading services. "Customer" or "Shipper" is the customer who contracted with the mover to perform interstate domestic moving services. "Broker" or "shipper's agent" is the customer's coordinator for the move who issues the estimate and brings the customer and the mover together. The broker is not a party to the contract for moving services ("bill of lading") between the mover and the customer. Articles listed as follows: Articles listed as CP = Carrier Packed; PBO = Packed by Owner; PO = fragile item to be wrapped with Pads Only per customer.

CERTIFICATE OF INSURANCE: Some buildings require a certificate of insurance from the mover. Please check with your building management at both current and new locations regarding their requirements. Please notify your Relocation Specialist and we will be glad to assist you. Note: A fee may apply depending on building requirements.

PARKING RESTRICTIONS: Customers must confirm parking restrictions with the buildings management or local police department at both current and new locations in order for the carrier to avoid parking violations. If the truck physically or for reasons of parking restrictions cannot park close enough, Long Carrying or Shuttle Truck Service charges will apply and added to the original agreement.

FURNITURE TRANSPORTATION: The motor carrier requires that all drawers must be emptied prior to the day of move. Furniture with full drawers will not be transported due to high risk of damage to the actual furniture, premises walls and floors. Furniture items constructed from Pressed Wood or Particle Board are more likely than other types of furniture to sustain damages during transit. They are designed to be shipped unassembled and not built to withstand the normal stresses of a move an assembled unit. In addition, once disassembled they may not be of the same quality when reassembled Coastal Moving Services LLC will accept shipment of Pressed Wood and Particle Board items at the risk of the shipper only. Disassembly of these items are at the risk of the shipper. Upon this agreement being signed you agree you will not hold Coastal Moving Services LLC or the Motor Carrier responsible for damages to these types of items.

UTILITIES / APPLIANCES: Make sure that all your utilities and appliances will be turned off and disassembled from electric, gas and water connections prior to the day of your move. The motor carrier will not disassemble or reassemble any utilities or appliances at both current and new locations on the day of your move-out or move-in. If certain appliances are digital crating might be necessary

VALUATION: The motor carrier provides two valuation options: Limited liability and full replacement value (FVP). Both plans cover furniture and boxes packed/unpacked by carrier. We suggest you purchase third party insurance to protect your property. Please read carefully before making your selection. Subject to the minimum valuation of $0.60 per pound per article and in compliance with and subject to the provisions of 49 CFR Section 375.701(a), Carriers cannot control whether proper packing methods are used by shipper, therefore on boxes packed by the owner as well as pressed wood (particle board) furniture, fragile or brittle items such as glass, china, ornaments, etc.; liability

is limited to $0.60 per pound per article. Carrier, or its representative, has the right to inspect and repair any alleged damage. Consumer shipper waives all claims against Carrier and Coastal Moving Services, LLC for any damage to the interior or exterior of any residence including, but not limited to walls, floors, ceilings, stairs, banisters, carpets, plumbing, doorways, driveways, walkways, landscaping, etc. In addition, customer agrees and is not permitted to move, and will not accept, transport, store or have any liability whatsoever for firearms, jewelry, cash, bank notes, any financial instruments, hazardous materials, pets, liquids, or perishable items.

ESTIMATED PICK UP AND DELIVERY SCHEDULE: Each long-distance interstate moving customer will have different requirements as to a delivery timeframe. Some customers need their property delivered as quickly as possible and some customers may wish to wait several weeks, or months, before they receive their delivery. Accordingly, there are two delivery service options available: Premium Guaranteed Service and Standard Service. Pickup and delivery dates are not guaranteed unless the optional Premium Guaranteed Service (P.G.S.) is purchased. Standard Service (S.S.) period is up to a maximum of thirty business weekdays, not including storage time, beginning on the first date indicated as available for delivery (not the date of pickup). The date indicated as "1st available for delivery" is first date of the delivery window and not the promised delivery date. Per diem delay rate is $30.00 (thirty dollars) per business weekday. Business days do not include holidays or weekends. Unless P.G.S. is purchased, estimated delivery period is up to thirty business days from date indicated as first available for delivery. All estimated time of arrivals are subject to change depending on many factors such as traffic, weather conditions, unforeseen mechanical problems, or unexpected delays. Claims and liability for any pick-up or delivery delay claims are to be exclusively made against the motor carrier. Broker has no liability for the actions, omissions, delays in pick up or delivery by the motor carrier.

Below is an estimated delivery window not guaranteed by mileage

Up to -500 miles:1 to 7 business days estimated from your first available date for delivery specified on pickup documents

500-1500 miles = 7-12 business days estimated from your first available date for delivery specified on pickup documents

1500-2000 miles = 12-17 business days estimated from your first available date for delivery specified on pickup documents

2000-2500 miles = 17-21 business days estimated from your first available date for delivery specified on pickup documents

2500-3200 miles = 21-30 business days estimated from your first available date for delivery specified on pickup documents

DATE CHANGES: A fee of $250 may apply if the customer changes pick-up dates and/or places move on hold within 7 days before the first day of the pick-up window. A fee of $400 may be applied if the customer changes pick up dates and/or places move on hold within 3 days or on the day of the scheduled pick up window. If the customer changes their dates more than twice a fee may be applied as well. One day pick up requests will require a fee of $400. If your load has been placed on a delivery trailer and you are not able to be present for the drop off, you have the option of obtaining a 3rd party representative to receive the goods on your behalf to pay the delivery balance and sign the delivery paperwork. Storage and re delivery fees will apply if the delivery is refused. If you did not specify the first available date for delivery on your pickup paperwork it is assumed that you are ready for delivery as soon as possible, unless notified otherwise. All pick-up payments and paperwork must be completed to proceed with the delivery process. If the customer needs to adjust their First Available Date for Delivery (FADD), they must submit the request in writing at least 10 business days prior to the originally documented FADD. Failure to do so will result in the customer having to accept the delivery based on the original FADD, provided the shipment is already in transit.

NEW BINDING ESTIMATES: If on the day of the scheduled pick-up "it appears an individual shipper has tendered additional household goods or requires additional services not identified in the binding estimate, [the mover is] not required to honor the estimate." 49 CFR § 375.403(a)(6). However, if the Carrier wishes to service the shipment it must either (1) pickup and transport only the specific items and amount of cu.ft. itemized on this estimate without servicing / transporting the additional items of property. In this case the shipper would only be required to pay 100% of the binding estimate and the remaining balance will be billed after the 30-day deferment. Or (2) Carrier and shipper may execute a New Binding Estimate, in accordance with 49 CFR § 375.403(a)(6)(ii) PRIOR TO LOADING OR OTHERWISE BEGINNING THE JOB. This New Binding Estimate given prior to loading will serve as the only active estimate for which charges will be calculated. Warning: To avoid a scenario where a new estimate at a higher price is issued at the last minute on the date of pick up, it is imperative that customer provide the estimator with a complete and detailed itemization of each item to be moved. Leaving out any items to be moved or adding items at the last minute will result in a new estimate at a higher price on the date of pickup.

AGREED MANDATORY CHOICE OF LAW, VENUE AND JURISDICTION. If a lawsuit becomes necessary to resolve any dispute between Coastal Moving Services, LLC, and shipper, said suit shall and must only be brought in circuit or county court in and for Broward County, Florida. Suits involving disputes over interstate shipments must be limited to the governing federal law. Both parties agree to submit themselves to the jurisdiction of the Florida Courts and agree given the relationship to the state, such exercise is reasonable and lawful. Shipper consents to jurisdiction in Broward County, Florida.

AGENTS: Carrier may use agents/independent sub-contractors on all orders. Additionally, unless customer purchased an exclusive use of the vehicle optional service, there is no guarantee that the property will not be temporarily stored or offloaded and reloaded onto a different vehicle then performed pickup and consolidated with other shipments. All deliveries unless otherwise specified will take place on an 18-wheeler (53ft-72ft)

CLAIMS: Coastal Moving Services, LLC, as a licensed interstate Broker is not responsible for any acts or omissions of the moving company or its employees or agents. Customer agrees to exclusively pursue the carrier directly for all claims for property damage, including without limitation, any claims of damage to property, lost or stolen goods, delayed pickup or delivery, actions of estimators, drivers, packers, or movers, or other types of claims. Carrier shall not be liable for the loss or damage of the goods unless claim is made in writing supported by proof of ownership, value, and weight. As a condition precedent, all outstanding monies due for services must be paid in full before any claim can be made. within 90 days of delivery or demand thereof is refused and must be limited to the destination descriptions of damages for each item on the inventory logs. All damages and missing items must be noted on the inventory logs. Damage indicators must specify each item damaged at the time of delivery.

SUMMARY OF DISPUTE SETTLEMENT PROGRAM: Summary of dispute settlement program: The neutral arbitration program has been designed to give neither party any special advantage. If a dispute arises between Carrier and the shipper arbitration may be a mutually beneficial alternative to help resolve the dispute. Section 49 CFR Section 375.211 provides that a mover must have a program in place to provide shippers with an Arbitration alternative. Arbitration is optional and not required under Federal law. A Summary of the arbitration process: Arbitration is an alternative to courtroom litigation. It provides each party to the dispute to present their cases and allows a neutral third-party arbitrator to make decision as to the merits of each side's case. Arbitration subject to this agreement shall be conducted via written submission and, subject to the arbitrator's discretion, through telephonic appearance. After the initial filing fees have been paid and the arbitrator selected, the initiating party or "Claimant" must submit a written brief summarizing their legal position and factual claims. All supporting documentation must be included with the initial arbitration brief. Copies of all documents must be submitted to all parties involved in the arbitration. Upon receipt of the Claimant's arbitration brief and supporting documents, the responding party or "Respondent" will have 30 days to file their responsive arbitration brief and supporting documentation. Further deadlines and timetables are subject to the arbitrator's discretion. **B. Legal effects**: If the arbitration alternative is chosen, then any decision made by the arbitrator may be binding. Additionally, an arbitration decision may not be appealed in a court of law. All parties agree that the Arbitrators decision will be based exclusively on the governing United States Federal Law without regard to conflicting State laws or regulations. **C. Applicable costs:** Each party is responsible for their own costs associated with arbitration. A benefit to the arbitration alternative may be that it is less expensive than traditional litigation. Each party is responsible for 50% of the costs associated with securing the arbitrator and 100% of their own expenses, including but not limited to attorney fees. There is a $250 filing fee FOR EACH PARTY and a supplemental charge of $50 administration fee. Call carrier at phone number on front of this form for ADR processing forms.

Notice of Maximum amount due upon delivery: Final charges will be based on actual weight or cubic feet/volume of property and services provided. Maximum amount demanded at time of delivery, prior to unloading, is the amount of the non-binding estimate plus 10%; or 100% of the binding estimate issued before services begin. Actual charges may exceed the amount of estimate if additional services were ordered or required to be performed; if customer moved additional items, weight, or cubic feet; or if extra service options such as packing, or storage were necessary.

NOTE: Customer has agreed to receive and subsequently received the FMCSA publications "Ready to Move? – Tips for a Successful Interstate Move" and "Your Rights and Responsibilities When you Move" via e-mail hyperlink and accessed the Federal consumer protection information on the Internet." Additionally, In accordance with 49 CFR §371.113(c)(1), customer agrees to waive a physical survey of the household goods and alternatively agrees to receive a Binding Estimate based upon the customer provided item list of property to be transported and services ordered. The terms of this estimate and all services to be provided are subject to the carrier's tariffs, incorporated by reference and available for inspection upon reasonable request at the carrier's offices.

VERY IMPORTANT - IF YOU ADD ITEMS AT PICK-UP OR IF THE ITEMS ARE A DIFFERENT VOLUME AND/OR WEIGHT FROM WHAT IS ITEMIZED ON THIS ESTIMATE:

1. The mover may provide you with a new binding estimate at a higher rate.
2. DO NOT allow the mover to load the truck or perform any services before you agree in writing to the new estimate.

3. If you have not signed the mover's new binding estimate, and the mover loads the truck, then Federal regulation requires that the mover has reaffirmed the original estimate and cannot demand additional payment at delivery for the additional items. Any balance due above the binding estimate would need to be billed by the mover thirty days after delivery.

This is why we ask you to notify us of modifications at least 7 business days before the scheduled pick-up date, to avoid surprises at pick-up! On the day of pick-up, your foreman may offer you a new revised estimate listing all costs for the entire move including the additional services ordered or additional items to be moved, if any. The total price will be the same as the price listed on this estimate if your inventory's estimated weight/volume has not changed and if you do not require additional services. If your inventory's estimated weight/volume increases or if you require additional services, however, then your price may change based on the rate per pound and/or cubic feet stated in this estimate.

X __MK__ (Customer Initials) NOTICE AND WAIVERS: In accordance with 49 CFR § 375.401(a) and 49 CFR §371.113(c)(1), customer agrees to waive a physical survey in-home estimate of the household goods and alternatively agrees to receive a non-physical survey based written e-mail generated Binding Estimate based upon the customer provided item list of property to be transported and services ordered. Customer has agreed to receive and subsequently received the FMCSA publications "Ready to Move? – Tips for a Successful Interstate Move" and "Your Rights and Responsibilities When you Move" via e-mail hyperlink and accessed the Federal consumer protection information in the Internet." The terms of this estimate and all services to be provided are subject to the carrier's tariffs, incorporated by reference and available for inspection upon reasonable request at the carrier's offices.
