Corrections I filed (raise them myself)

- She was a coworker's **civilian** wife — not a service member (10/7)
- Pre-service care: Lake Charles psychiatrist ~19 (10/7)
- Treatment history list (10/7) · job ended (10/7 — date: see "If asked")
- **Kratom from ~18**: legal, store-bought, didn't know it was an opioid; no cocaine I recall (10/9)
- "After 2024" in that correction → fixed (10/9)
- **Overdoses:** 7-OH, not gabapentin; SI was there; I understated it at the hospital (10/9)

Make sure these get covered — how often · how bad · example

- **Nightmares / intrusions** — 2–3×/wk (6/17); yelling in sleep (Erica) — recent: _____
- **Avoidance** — left Zoe PHP early (coed housing); put off a urologist for months; 3 yrs before telling Cherie
- **Women at gatherings** — on guard, expect harm, move away from them · what I do _____ · how sure _____ · recent example _____
- **Panic** — mornings, most days; crowds — recent: _____
- **Low mood / waking dread** — crying on waking (Erica) — typical day: _____
- **Shame, self-blame, trust** — what I believe about myself since
- **On guard / startle** — jumpy, scanning rooms — recent: _____

- **Sleep** — hours/night _____ · meds at 2 a.m., sleepwalking (Erica) · recent: _____
- **Worry / persecutory worry** — how often _____ · how sure while in it _____ · can I step back? _____
- **Sure I'll fail / be disliked despite results** — McNeese (after service): sure I'd fail tests, got A's · work: sure every project will fail, they work out · people: sure they won't like me, they usually do · job-loss fear = same pattern · costs me _____ · say "convinced," not "delusions"
- **OCD** — overworking, needing control — what it looks like _____ · time per day _____
- **Irritability** — angry when told I look unkempt; hostile at the overdoses — recent: _____
- **Focus / memory** — forget appointments, Erica schedules them — recent: _____
- **SI** — pattern over time · none mid-May 2026 · present at 8/4–8/5 · **today:** _____
- **Substance use** — 7-OH ~2 yrs · relapse early 2026 after ~4 mo sober (Jan or Feb? _____) · relapse early June 2026, Suboxone stopped · tied to what I'm escaping
- **Self-care** — Erica reminds: shower, teeth (+ shave, haircut, laundry, eating per me); buys my clothes · skipped without her: _____
- **Isolation / family** — ~1 outing/wk, not always; left a crowded 12-step meeting · brother + parents strained, little contact — last contact: _____
- **Marriage** — apart ~Feb–May 2026 (incl. rehab); intimacy, ED (if I choose)
- **Work** — 10 of 30 days unable (WHODAS 6/11) · Metal sick days 7/18, 11/15, 11/21/24 · leave 4/17/26 · bad day vs typical day: _____
- **Money** — who handles it now _____

If asked, say what's true

- Claim 5/19, told Cherie 6/17 → why I waited
- "Denies" at 2015 VA, 2018 Victory, 2023–24 Starlite → what was going on then
- 2024 VA claim → what it was for
- 2022 Starlite checklist: other items marked too → what they were
- Starlite 2022 therapist: Melissa Robbins? records may say "Robbin Lynch"
- Reyes "late 2013" vs Poquette ~2012 → my memory only
- Unemployment: did I file? _____ (VR&E question; Nick's corrected statement no longer mentions it)
- Nick: college 2007–2009 before the Air Force → where, how long? _____ (McNeese 2013–16 was after)
- Nick: pre-service "period of depression," maybe therapy, short → matches my Lake Charles psychiatrist ~19 · his "outgoing" vs records (kratom from 18, Victory "opiate pills 18–20") → both true?
- One night vs a year of harassment → both
- First opioid: 10/7 form "ankle, morphine + oxycodone"; 10/9 form "oxycodone" + kratom from 18
- Victory: "opioid pills 18, cocaine 19" · Starlite: "opioids at 25" · my correction calls kratom "infrequent"
- 8/4 record: "accidental," "antihistamine poisoning," gabapentin 1200, Valium, propranolol, clonidine, dimenhydrinate, "no SI" · 8/5: "kratom"
- 7-OH spending: >$30K vs ~$500/day → which period
- Cherie, "sober" on 7/9 and 7/16 — after the June relapse?
- SI: "every day" (6/17) vs 7 denials Apr–May 2026
- "Paranoid delusions" (Cherie) vs "denies delusions" (Naficy) → describe the worry
- "FMLA at every job" vs Meta/Metal layoffs, Metal sick leave
- Marriage: "healthy and supportive" vs "total impairment" vs separation
- Family: "estranged 6–7 yrs" (Cherie) vs strained, little contact
- "Well-groomed" (Harmony) vs Erica's prompting
- Mountain 6/26 vs 6/30; why it ended (agreement gives no reason)
- July 2023: Meta end, Starlite 7/20, DISQO start
- My Part 2: "Feb 2023" (records: Jan) · Jul–Aug 2024 stay missing · Harmony 25 vs 24 days
- F15.20 amphetamine code (Harmony) · diazepam: prescribed or not, and since when
- Two "Recover" evals; "childhood trauma" phrase · Starlite "pretty good childhood" · Starlite: anxiety/depression dx at 18
- Ankle: 2011 vs 2012 · service-connected? (statement says 10%; other docs: tinnitus only)
- Zoe: PHP (my forms) vs "IOP" (Cherie 5/13) · who diagnosed OCD (Bowers?) · gaming all night (Erica) vs "stopped years ago" (2023)
- Two Cherie letters (7/2, 7/17) · where I live now and where I am today

Before the call ends

- Self-care, isolation, job losses, the overdoses — covered?
- Corrections filed 10/7 and 10/9 — mentioned?
- SI today — answered plainly?
- Typical day vs bad day — said?
- Anything she didn't ask about: OCD time, sleep, marriage
